INTERNSHIP COMPLETION CERTIFICATE

To whomsoever it may concern

This is to certify that **Kaushik Dilip Walwadkar** has successfully completed his internship with **Zenith77 Technologies** (A group of Zenith77 Multi Business Pvt Ltd) as an **Intern - Cyber Security** from **22/04/2026** to **31/05/2026**.

During his internship, he demonstrated strong technical skills and professionalism in cybersecurity and vulnerability assessment activities. He worked on VAPT Web Applications using black box vulnerability scanning, structured exploitation techniques, and authentication and access control testing. He also participated in mini VAPT audit simulations and contributed to the planning and development phases of an AI-based vulnerability scanner. In addition, he developed an API capable of identifying secure and unsafe websites while providing vulnerability-related insights and intercept blocking functionality. His performance was highly commendable, and he consistently completed assigned responsibilities with dedication and reliability.

His conduct, attitude, and willingness to take responsibility were exemplary throughout his internship period.

We wish him continued success in all his future endeavors.

Your's Sincerely,

Madhava Rao M
